Ulster Bank Debitcard

**Your guide to
getting the most
from your card**

Welcome to your accessible Ulster Bank Debitcard

Your Ulster Bank Debitcard is accepted in **30** million retail outlets around the world, wherever you see the Mastercard® symbol.

We're here to help

The features of your card will make things easier if you have a variety of different impairments, or if you're using the card in poor lighting conditions. Your card may look and feel different, but it works just like your old card and is just as secure.

Your card has three unique features

- ✓ A series of raised dots so you'll know it's your Ulster Bank Debitcard.
- ✓ A carved out notch on the side of the card, so you can work out which way to insert your card into a cash machine or card reader.
- ✓ Flat print (unembossed) design including a large font telephone number on the back of the card that will be easier for you to read.

How to use your card

To insert your card into a cash machine or card reader, make sure you're holding the card with the number and raised dots facing up, and the carved notch nearest you.

Your debitcard enables you to

- Pay for goods and services at home, abroad and on-line.
- Withdraw cash at ATMs and banks worldwide.

Paying with your debitcard is quicker, easier and less hassle than juggling with cash or writing a cheque. Your debitcard also lets you stay in control of your day to day finances because every time you use your card the money is taken directly from your bank account.

The information contained in this guide will help you get the most from your card and protect you from fraud. Please make a note of the important telephone numbers listed on the back of this guide.

24 hour emergency cash in the UK

You can take up to £300 from your account without your card at one of our cash machines if you are an Anytime/telephone banking customer. Or up to £60 if you aren't. You'll need to have enough in your account to cover what you take out, minimum £20.

Global Acceptance

Your debitcard is accepted around the world in 30 million retail outlets across 160 countries and you can withdraw cash from more than 1 million ATMs. So you can use your card when you're away just as you do at home.

Using your card at home

- ✓ **Shopping** – use your card wherever you shop, at the supermarket, department store, petrol station or restaurant, you can use your card to buy just about anything.
- ✓ **Cashback** – many shops, supermarkets and other retailers offer cashback when you pay by debit card. Cashback provides convenient access to your money, without having to queue at an ATM.
- ✓ **On-line and over the phone** – Shopping on-line or over the phone is as easy as on the High Street and with Debit Mastercard it's safer too.
- ✓ **ATM Withdrawals** – You can withdraw cash up to your daily limit if you have sufficient funds available in your bank account.
- ✓ **Withdrawing Foreign Currency from an ATM** – If you use your card to withdraw foreign currency at an ATM in the UK you may be charged at the same rate as you would withdrawing foreign currency abroad.

Using your card abroad

- ✓ You can also use your new Debit Mastercard abroad in the same way you do at home, just look for the Mastercard symbol. It's a safe and convenient way to buy items in shops and withdraw cash at ATMs when you travel, reducing the need to carry foreign currency.
- ✓ Using your new card abroad couldn't be more convenient and safe. All we do is simply convert the amount you're paying or withdrawing into sterling and apply the relevant charges (see limits, rates and charges section). Then the total amount is automatically debited from your account, details of all transactions will appear on your statement.

Fraud Prevention

To protect you from fraud we may apply a limit to the value or number of transactions you undertake using your card. These limits may vary depending on the location and nature of the transaction. If this happens to you please call **0131 339 7609**.

Purchase Protection

When you use your Debit Mastercard to buy goods or services, you'll now receive a higher level of purchase protection.

Damaged goods or non-receipt of goods

- ✓ When you use your Debit Mastercard to pay for goods/ services and they fail to arrive or are damaged when you receive them, we may be able to help you to recover the payment.
- ✓ This protection includes purchases made from companies that have gone out of business and purchases made using the internet, where the goods or services have not been received.
- ✓ You must contact the retailer or service provider first to try to resolve the problem. If this proves unsuccessful, please contact us on **0345 3660391**.

Security On-line

As well as being widely accepted on-line, your Debit Mastercard offers increased security through the Mastercard Identity Check programme.

What is Mastercard Identity Check?

- ✓ Mastercard Identity Check is a suite of security technology solutions that use EMV 3DS2 authentication standards. It works for online transactions or any other transaction where the card is not physically present. It also enables you to oversee larger transactions between you and financial institutions, and even conducts checks on recurring payments, such as monthly gym memberships.

How does it work?

- ✓ Firstly, you need to register your own private password with us (see below). Then, when you shop at participating on-line retailers, you may be prompted to enter some characters from your password when you check-out – this verifies you as the genuine cardholder, just like entering a PIN.

How do I register?

- ✓ When you shop at participating online retailers, you will be prompted to register. Once you have registered you can start making secure purchases using your Debit Mastercard. There's no need to sign up for a new card, or download any new software.

- ✓ If you do not register at all, your transaction may be declined as part of our anti-fraud policy. You must keep your password secret.

Anytime Banking

Our Anytime Banking service gives you 24/7 access to your accounts online. Use your Debit Mastercard for quick and easy sign up, just visit www.ulsterbank.co.uk/anytime

Protecting you and your card

The care of your cards, PIN and other security information is essential to help prevent fraud and protect your accounts. It is important that you always take reasonable steps to keep your card, PIN, passwords and security information safe.

- ✓ Do not allow anyone else to use your card and do not disclose your PIN, passwords or security information to anyone.
- ✓ We will never ask you to disclose your PIN, passwords or security information. If you are in any doubt about the authenticity of a caller, take their details and call us.
- ✓ Remember your PIN and destroy the notice securely as soon as you have memorised it.
- ✓ Never write down or give your account details, PIN, passwords or other security information to anyone.
- ✓ Keep your card receipts and other information about your account containing personal details (for example Statements) safe and dispose of them carefully by taking simple steps such as shredding printed material.
- ✓ Be aware that your post is valuable information in the wrong hands. If you don't receive a bank statement, card statement or any other expected financial information, contact us.
- ✓ You will find the Financial Fraud Action UK website www.financialfraudaction.org.uk a helpful guide on what to do if you suspect card fraud.
- ✓ To help protect you from fraud, we may occasionally block ATM and card transactions temporarily if we identify any unusual transactions on your account. If this happens to you please call **0131 339 7609** (or **0044131 339 7609** from abroad), we will ask you to verify your transactions by asking you some security questions.
- ✓ When purchasing goods on the internet or by telephone you may be asked to provide the last 3 digits printed on the signature panel on the reverse of your card. This number, known as the Card Verification number or CVV, is used by retailers to confirm that you have the card in your possession and should only be provided to reputable retailers and service providers.

Safety tips for using your card abroad

Before you travel. . .

- ✓ Check the expiry date on your card to ensure your card will still be valid when you are away.
- ✓ Let us know you're going away using the mobile app, then you can have a hassle-free holiday.
- ✓ Take a note of the telephone numbers on the back of this leaflet.
- ✓ Contact your branch and give them your mobile number.

When you are away. . .

- ✓ Keep your card safe; use safety deposit boxes or the safes in hotel rooms.
- ✓ In some parts of the world you may be asked to sign a receipt and/or enter your PIN.

To find out where you can use your card abroad please visit [mastercard.co.uk/convert-currency](https://www.mastercard.co.uk/convert-currency)

Chip and PIN security

To protect you when shopping, we use the latest chip and PIN technology, providing protection against fraudulent activity.

- ✓ If you have difficulty using the chip and PIN card, contact your branch and you will be sent a chip and signature card, instead of entering a 4-digit PIN to confirm your purchase you will be asked for a signature.
- ✓ A chip and signature card cannot be used at an ATM.

PIN Lock/Unlock

- ✓ If you enter your PIN incorrectly 3 times in a row at any retailer, you will need to unlock your PIN at any Ulster Bank, RBS or NatWest ATM by selecting 'Account Services' and 'Unlock PIN'. A message will be displayed to confirm that you have unlocked your PIN.
- ✓ Don't know your PIN? Contact your branch who will need to send you a 're-advice' of your PIN. Once you receive this, please follow the above instructions to unlock the PIN.
- ✓ If you enter your PIN incorrectly 3 times in a row at any ATM, you will need to ask the branch to send you a 're-advice' of your PIN.
- ✓ If you forget your PIN and want us to send you a reminder or if you cannot use your PIN because of a disability or medical condition please contact your branch.

Limits, rates and charges

The information below will allow you to familiarise yourself with your cash withdrawal limits and the charges for use of your card abroad. Please read this section carefully.

Daily withdrawal limits

The current ATM withdrawal limits are as follows:

Current accounts

- ✓ Current, U First, U First Gold and Student Accounts: £500.
- ✓ Dual and Step Accounts: £300.
- ✓ Adapt Accounts: £250.
- ✓ Although you have a daily withdrawal limit, a transaction will only be authorised if your Account Balance and Arranged Overdraft remaining (if there is one set up on the Account) is sufficient or, if you have made separate arrangements with us.
- ✓ Some ATMs will limit the amount you may withdraw in a single transaction.

Charges for using your card abroad

Purchases

- ✓ We will charge a Non-Sterling Transaction Fee of 2.65% of the value of the transaction.

Cash withdrawals

- ✓ We will charge a Non-Sterling Transaction Fee of 2.65% of the value of the transaction.
- ✓ If you elect for the transaction to be converted into Sterling at the point of sale or withdrawal, we will not charge a Non-Sterling Transaction Fee, however, the transaction handler may charge you a separate fee.

Foreign Exchange Rate

- ✓ With the exception of transactions that are taken from Ulster Bank ATMs, we will convert any transaction made in a foreign currency using your Debit Card or Cash Card into Sterling using the Mastercard Payment Scheme Exchange Rate. To see the up-to-date rates used for Debit Cards and Cash Cards visit [mastercard.co.uk/convert-currency](https://www.mastercard.co.uk/convert-currency).
- ✓ For transactions undertaken at Ulster Bank ATMs in a foreign currency, we will apply the Ulster Bank ATM rate. To see the up-to-date rates used for these transactions please visit www.ulsterbank.co.uk and click on **Debit Cards abroad**.
- ✓ We apply the exchange rates prevailing on the day we process your transactions, not the rates prevailing the day you use your card. Details of commission charges will appear on your account statement with each transaction. This does not include any additional fees that a retailer or cash machine owner may impose on you for using this service.
- ✓ You can withdraw up to the equivalent of your daily withdrawal limit in local currency per day provided you have sufficient funds cleared in your account and provided that the foreign bank does not impose a local limit.

How to Contact Us

You have access to your account including enquiries at an ATM 24 hours a day, 7 days a week from anywhere in the world, but there are times when you may need to contact us.
