NatWest is entered on the Financial Services Register (Registration Number 121878). Calls may be recorded.

Start using your new Business Debit card today

This leaflet explains the features and benefits of your new Business Debit card. Please take a few minutes to read it carefully.

If this is your first Business Debit card, please ensure you activate it by following the instructions that came with your card. Activation only takes a few minutes and it enables you to use your new Business Debit card immediately and take advantage of the great benefits it has to offer.

You should have received your Personal Identification Number (PIN) separately. Make sure you memorise the number – never write it down or tell anyone your PIN. If you have not received your PIN please contact us so a replacement PIN can be sent to you.

Your Business Debit card is great for day-to-day purchases. It could cut down significantly on the administration involved in reconciling cash and personal card expenses, and you can keep track of all your expenditure easily.

Terms apply to your card, please see the Business Banking Terms and Conditions which can be found at ulsterbank.co.uk/businesscurrentaccountterms

Replacement cards

If this is a replacement card you can start using it straight away with your existing (PIN). Please, however, destroy your old card securely by cutting it through the magnetic strip and the chip.

Using your debit card could help make your everyday business expenditure much easier to manage. It could reduce the number of cheques you need to write – saving you time and money and helping you do business with the increasing number of suppliers who no longer accept cheques. You can also keep track of smaller expenses that you would otherwise pay for with personal cards or cash.

Flat print design

Your unembossed (flat) card may look and feel different, but it works just like an embossed card and is just as secure. With flat print, you will find that your account information is easier to read and the card will last longer.

Key Features and Benefits

- Access to Balance and mini statements at an ATM
- Worldwide acceptance (VISA Badged)
- Ideal for day-to-day expenses like stationery or petrol
- Gives you flexibility, allowing access to cash and ability to pay for goods and services instore and online
- Keeps you in control by cutting down on the administration involved with cash and personal card expenses.

Keeping your card safe

Criminals are continually looking for new ways to use your card fraudulently. Whether you're banking online or entering your PIN in a public place, you should always be vigilant. We may contact you to confirm that you have received your new Business Debit card but we will never ask for sensitive information like your PIN or the three-digit security number on the reverse of your card.

Added protection

Your Business Debit card offers purchase protection against loss, damage and fraud.

Fraud checking

We operate a fraud checking system. If we think someone is trying to use your card fraudulently, we may ask the retailer to contact us by phone. Once we have confirmed that you are making the purchase yourself, we'll complete the transaction.

Damaged or undelivered goods

If you pay for goods with your Business Debit card and they don't arrive or they are damaged, we could help recover your payment. We may also cover your payment if the company goes into administration before you receive the goods. In the first instance, however, we would request you contact the supplier directly to resolve the issue. If you are unsuccessful, contact your branch as soon as possible for help.

Making payments and withdrawing cash

Paying for goods and services

You can use your Business Debit card to pay for goods and services on the high street, online or over the phone.

Regular payments

You can set up regular payments for bills and services from your Business Debit card. If you already make regular payments from your previous card, please give your replacement card details to the retailer or service provider.

Cashback

Many UK shops and supermarkets offer Cashback. This allows you to access to up to £100 in cash without using a cash machine (ATM).

Access to your cash

You can make free cash withdrawals (up to your daily limit) with your Business Debit card from any Ulster Bank or NatWest cash machine. You can withdraw cash from any ATM in the UK and we will not charge you a fee, however other companies may charge you a fee. You will be advised on screen about any charges before you withdraw cash. You can also use any of our cash machines (ATMs) to get a balance or mini statement or change and unlock your card PIN.

Apple Pay

Enjoy all the benefits of your Ulster Bank debit card with Apple Pay on iPhone, Apple Watch, iPad, and Mac. Using Apple Pay is simple, and it works with the devices you use every day. Your card information is secure because it isn't stored on your device or shared when you pay. Paying in stores, apps, and on the web has never been easier, safer, or more private. So you can pay in an easy, secure and private way. Apple Pay available on Ulster Bank Business debit cards, and selected Apple devices. Retailer limits may apply. Find out more at ulsterbank.co.uk/applepay

Google Pay™

Got an Android phone? You can store your card details in your secure Google account. Then use your phone to pay for anything from boarding passes to cinema tickets. Google Pay doesn't share your card number, so your information is safe. You can also pay through apps or online, and there's no price limit. Google Pay™ available on Ulster Bank Business debit cards, and selected Android devices. Retailer limits may apply. Find out more at ulsterbank.co.uk/googlepay

Worldwide acceptance

You can use your Business Debit card overseas so you don't need to carry large amounts of cash or travellers' cheques. You can use it for purchases and to withdraw money in the local currency from cash machines (ATMs) or over the counter from banks in most countries. Please note that you may be charged for using your card abroad. See overleaf for details.
