1. Services you don't pay for

- Management Time – if you want to discuss your business and its financial requirements with your Relationship Manager, we will not charge you for the time we spend with you.
- Statements – All regular bank statements you receive monthly/quarterly.

2. Overdraft Arrangement Fees

Overdrafts are available on your Business Current Account. You may overdraw your account only if you have first arranged this with your Relationship Manager. An arrangement fee is applied to all overdrafts and agreed with your Relationship Manager. This will be detailed in your overdraft facility letter. For further details on overdraft charges please see Section 4.

3. Interest payable on agreed overdrafts

The interest rate applicable to your overdraft is agreed between you and your Relationship Manager and will be specified in your overdraft facility letter. For further details on overdraft charges please see Section 4.

In instances where a customer has an overdraft and simultaneously maintains a credit balance current account, the Bank may agree to set-off the debit and credit balances for interest purposes. In such cases set-off interest will be charged at a minimum of 1% per annum on the lesser of the debit or credit balances. Set-off interest is in addition to overdraft interest which will apply if there is a net debit balance.

4. Unarranged borrowing – interest and charges

Interest

We encourage our business customers to agree an overdraft limit in advance of any borrowing in order to avoid unnecessary excess charges. If you have not contacted us to arrange an overdraft limit in advance and there is not enough money in your account, we may not allow you to withdraw money.

You will also pay a higher rate of interest on the unarranged amount. Any amount overdrawn in excess of your arranged limit will be charged at an unarranged overdraft rate (currently at 17% p.a).

Charges

Paid Referral Fee Why is it charged?	When is it charged?	Charge
As a result of any item we choose to pay which creates an unarranged overdraft.	This charge will be applied 21 days after the end of the charging period.	£15 (we will not charge more than £270 in any quarterly charging period).

Unpaid Item Fee Why is it charged?	When is it charged?	Charge
