Tariff of Mortgage Charges

Ulster Bank is closely involved in the mortgage industry's initiative with Which? to make our fees and charges easy for you to understand. Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

When you will pay this charge

Before your first monthly payment

These are the fees and charges you may have to pay before we transfer your mortgage funds.

Name of charge	What this charge is for	How much is the charge?	
Re-inspection fee	If your mortgage is released in stages and you're using it to renovate your home, this covers the new valuation we need to do after the work's carried out.	No charge	
Valuation fee	The lender's valuation report, which is used to calculate how much we will lend you. This is separate from any valuation or survey of the property you might want to commission. There are other homebuyers or structural survey options available to you at a cost and there may be different approaches in different parts of the UK. Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case.	Estimated value of property	
		Valuation fee	
		£0 – £40,000	£120
		£40,001 – £80,000	£140
		£80,001 – £100,000	£160
		Over £100,000	£190
Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£30	
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	Cost will be dependant on your solicitor.	
Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	Cost will be detailed in your product offer.
