

# Lurgan branch is closing on 05 March 2024

A guide to explain what this means for you

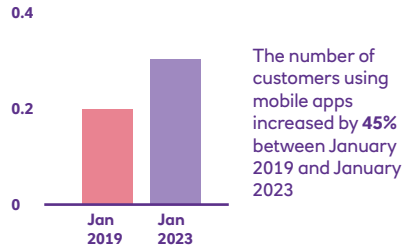

Ulster Bank

TOMORROW BEGINS TODAY

# The way we bank is changing

With the ease of mobile and anytime banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

Measurement in both graphs is millions

More than **24** million mobile and online transactions were processed in 2022

## Our responsibility to you

We completely understand that anytime banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with Anytime Banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website [ulsterbank.co.uk/anytimebanking](https://ulsterbank.co.uk/anytimebanking). (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

# How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. We look at:

- the likely impact on customers. How often customers use the branch – and the transactions they’re making.
- their banking preferences.
- where the nearest branch and nearest cash machines are.
- is there a local Post Office® for everyday banking?
- all the other banking options: Anytime, Mobile, Telephone and Video Banking.

## In Lurgan, we saw:

Comparing January 2019 and January 2023, counter transactions for personal customers have decreased by 45%

In 2022 73% of personal customers using the branch also chose to use Anytime Banking or our mobile app

- the branch was used by **37** personal customer(s) on a regular basis in 2022.
- the branch was used by **263** business customer(s) on a regular basis in 2022.

# Ulster Bank Lurgan will permanently close from 05 March 2024

## How we've communicated this closure to customers

In line with the Financial Conduct Authority's guidelines, we took a range of factors into account before deciding to close this branch. You can read about these on pages 2 and 3 of this factsheet.

After speaking to our branch colleagues, we wrote to all branch customers to tell them about the closure, including other ways they could bank with us and where their nearest branch, ATM and Post Office was. We understand that closing a branch can be difficult for some people so we always give customers at least 12 weeks notice of closure to allow them time to consider their options.

The notice of closure was also reinforced with a poster displayed in the branch which stated the closure date. In addition, we got in touch with customers who use the branch and those who may need extra support, to see what we could do to help. We've been able to offer advice on the easiest ways to bank in the local area. And we've also been able to help those who want to get started with Anytime Banking.

## How we've engaged with the local community

After we announced the closure, we spoke to key members of the local community to help us understand the impact that closing the branch could have.

### The individuals and groups that we notified were:

Carla Lockhart

Start360

Councillor Sorchá McGeown

Oaklee Housing Association

Migrant Centre NI

Manor Court

Community Advice Craigavon

Aughnacloy House

The feedback we received from customers, community members and organisations was welcomed. We received 871 enquiries\* and 0 complaint(s)\*\*.

### **This is what you told us:**

Local community groups and customers were concerned about access to cash and impact on the elderly and vulnerable customers in the community. We were able to provide additional support and information on the alternative ways they can continue to bank with us, as well as how our Customer Support Specialists will be supporting local communities going forward. We also provided information on our 'Supporting you through our branch closure' event which is designed to help educate customers on how to continue to bank with us after the branch closes.

Customers were concerned for the future of staff in their local branch. We were able to explain our commitment to supporting everyone affected by these changes. We assured customers that we take the wellbeing of colleagues seriously and where we make changes, we consult with employee representatives and colleagues. For those impacted, we have put a strong support package in place and will continue to work with colleagues individually around what this change means for them.

Customers were concerned about changes to their account details and the location of the nearest branch. We provided information on what the change will mean for customers and advised of the alternative ways to bank including the local Post Office. Customers were also given information on our community pop-up that will run for up to twelve weeks post closure.

\* An enquiry is any question that can be answered at first point of contact.

\*\* Any oral or written expression of dissatisfaction, whether justified or not, about the provision of, or failure to provide, a financial service or a redress determination, which alleges that the customer has suffered (or may suffer) financial loss, material distress or material inconvenience.

## **We're still here to help**

Even though the branch is closing, we are still here to help you. There are other ways you can do your everyday banking detailed on page 8. However, if you'd like to ask us anything or you need extra support, please get in touch with our dedicated Customer Support Specialists on **0131 380 6528**, (Relay UK **18001 0131 380 6528** or International **+44 131 380 6528**).

**Remember there will be no change to customer account numbers, sort codes, standing orders, direct debits, cards, PINs or cheque books.**

## Banking at the Post Office

Did you know that you can use your debit card to check your balance, withdraw and pay in cash at the Post Office? You can make cheque and cash deposits with a barcoded credit slip and you can withdraw up to your daily card limit (or £500 max). You can also deposit cash but note that limits apply. Business customers can do all this and can register to use our change giving service. This lets you swap notes for coins, or higher notes for £5 notes. Your point of contact at the bank will be able to fill you in.

To find your nearest branch go to [postoffice.co.uk/branch-finder](https://postoffice.co.uk/branch-finder)
